

CURRICULUM VITAE

Name: Dr Samad Shams vahdati
Date of Birth: 11 October 1982
Home address: No.1 Golestan 2, Pezeshkan Alley, Abrasani Street, Tabriz/ Iran

Work address Department of Adult Emergency Medicine, Imam Reza Hospital, University of Medical Science, Daneshgah Street, Tabriz/ Iran

Tel: ++98411 6581401
Fax: ++98411 6581558
Email: sshamsv@Yahoo.com
shams@tbzmed.ac.ir

Nationality: Iranian
Marital status: Married
Education level specialist of emergency medicine, fellowship of Medical Education

EDUCATION AFTER SCHOOL

- 2000 – 2007 Tabriz University of Medical Sciences, Faculty of medicine,
Title of thesis: **Effect of Amiodarone in Treatment and Length of Hospitalization in AF Patients in Comparison with Normal Sinus Rhythm Patients after Coronary Artery Bypass Surgery**
- 2007- 2010 Resident of emergency medicine, Tabriz medical University
Title of thesis: **Determination of criteria for emergent ophthalmologist interventional necessity in patients with multiple trauma**
- 2010 Board certify in emergency medicine

2012 Instructor of Advance Trauma Life Support from American Collage
of Surgens

POST GRADUATE EDUCATION:

- Board certify of emergency medicine, study in Tabriz University of medical science
- Fellowship of medical education, Tabriz University of medical science
- Provider and Instructor of ATLS from American College of Surgeons

CURRENT POSITION

- Assistant professor of emergency medicine, Tabriz University of medical science
- Representative in virtual education of Faculty of Medicine
- Advisor of talent student of faculty of medicine
- Emergency department, Imam Reza hospital, Faculty of medicine, Tabriz University of medical science
- Emergency department, Sina hospital, faculty of medicine, Tabriz University of medical science
- The hospital Incidental Command System Treatment in Sina Hospital
- Member of Hospital Triage committee of Imam Reza Hospital
- Consultant professor of bright talent of Educational Development Center (EDC)
- Committee secretary of consultant professor of education development centre (EDC), bright talent office
- Responsible of research committees of education development centre (EDC), bright talent office
- lesson responsible (lesson planer) of first aid in pharmacy university
- *International Editorial Board of Akademik acil tip dergisi (Journal of academic emergency medicine)*
- *Associated editor in:*
 - *Pakistan journal of biological science*
 - *Journal of medical science*
 - *Journal of pharmacology and toxicology*
 - *Asian journal of scientific research*
 - *Asian journal of epidemiology*
 - *Journal of Analytical Research in Clinical Medicine (JARCM)*
 - *e Journal of Academic Emergency Medicine*
 - *Science International*

- Responsible for the internal evaluation of Emergency Medicine department, medical faculty
- Emergency Medicine Journal Club responsible programming
- Injury Epidemiology and Prevention Research team member

PREVIOUS WORK EXPERIENCE

- 1 **Hand on and research assistant**,(21 June 2007-22 Sept 2007) Tabriz medical university, Department of Cardiology, Hand on and had research under supervision of Dr.Samadikhah
- 2 **Research assistant**,(21 June 2005- 21 June 2007) Tabriz medical university, Department of Cardiology, research under supervision of Dr.Hakim
- 3 **Cooperation with the Deputy of research** 2001, Tabriz medical university, deputy of research
- 4 **Cooperation with the Deputy of research** 2002, Tabriz medical university, deputy of research
- 5 **Chief resident of emergency medicine** from November 2008 to December 2009
- 6 **Supervisor of treatment services in disaster** of Imam Reza Hospital from March of 2011 up to March of 2012
- 7 **Emergency medicine Staff certification exam**, the Ministry of Health and Medical Education 2012
- 8 **The Hospital Incident Command System planning** in Imam Reza Hospital 2012
- 9 **Student's advisor** of Motahari Festival 2013

AWARDS AND DISTINCTIONS:

1. Bronze medal of the National Biology Olympiad, Tehran, Iran, 1999
2. Ranked 5th in Board exam of emergency medicine in Iran in Sep 2010

ACHIVMENTS:

1. Praised by the head of emergency department of Imam Reza Hospital because of prefect function
2. Praised by the dean of medical faculty for educating students of residency in skill lab and make a progress in their education
3. Praised by the medical faculty of Tabriz university of medical science for ranking 5th in Board exam in Iran in 2010
4. Best educational process in Shahid Motahari educational festival in 2012

INVITATION:

Invitation letter from Tomas Jefferson university of Philadelphia/Pennsylvania for 3 month observe ship/fellowship course (March 2009-Jun 2009)

CERTIFICATIONS

Educational Attendance:

- Certifications of Workshop Attendance, Basic Life Support and Advanced Life Support from Education Development Center of Tabriz University of medical science
- Certification of Workshop Attendance, Medical Documentation from Education Development Center of Tabriz University of medicine
- Certification of Workshop Attendance, Physicion-patient Relationship and Consultation from Education Development Center of Tabriz University of medical science
- Certification of Attendance, Nucleic Acid Delivery for Gene Therapy and RNAi Applications from Department of pharmaceutics University of Utrecht, Netherlands
- Certification of attendance, SPSS workshop from deputy of research, Tabriz University of medical science
- Certification of attendance, references manager from deputy of research, Tabriz University of medical science
- Certification of attendance, principle of article reviewer and referrer from deputy of research, Tabriz University of medical science
- Certification of attendance, principle of effective learning in electronic education, 4th National Conference of E-learning in medical science
- Certification of attendance, electronic education in medical science (16 hours)(11 score), 4th National Conference of E-learning in medical science
- Certification of attendance, TQM (24 hours) , NPMC

- Certification of attendance, the interaction between Intravenous drug administration workshop from Continues Medical Education(12 score), Tabriz/Iran 23,24 Feb 2012

Educational Training:

- Certifications of training in workshop (for 5 hour), Basic Life Support and Advanced Life Support from Education Development Center of Tabriz University of medical science
- Certifications of training in workshop (for 3 hour), Basic Life Support and Advanced Life Support from Education Development Center of Tabriz University of medical science
- Certifications of training in held emergency management course with title of BITES from continues medical education of Tabriz University of medical science
- Certifications of training in workshop (for 40 hour), Basic Life Support from medical faculty of Tabriz University of medical science
- Certifications of training in workshop (for 37 hour), Cardio Pulmonary resuscitation from medical faculty of Tabriz University of medical science
- Certifications of training in workshop (for 4 hour), advanced Life Support and Basic Life Support from medical faculty of Tabriz University of medical science
- Certifications of training in workshop (for 13 hour), advanced Life Support and Basic Life Support from medical faculty of Tabriz University of medical science
- Certifications of training in health management in disaster course with title of decreasing stress in disaster from continues medical education of Tabriz University of medical science
- Certifications of training in workshop (for 22 hour), advanced Life Support and Basic Life Support from medical faculty of Tabriz University of medical science
- Certifications of training in workshop (for 12 hour), primary trauma care from medical faculty of Tabriz University of medical science
- Certifications of training in workshop (for 34 hour), cardio pulmonary resuscitation from medical faculty of Tabriz University of medical science
- Certification of training in workshop (for 16 hours), Basic Cardiopulmonary resuscitation from medical faculty of Tabriz University of medical science

- Certification of training in workshop (for 1.41 hours), clinical governance from NPMC
- Certification of training in the interaction between Intravenous drug administration workshop from Continues Medical Education(6 score) , Tabriz/Iran 23,24 Feb 2012
- Certification of training in the Emergency 1 workshop from Continues Medical Education (3 score), Tabriz/Iran 15 Feb 2012
- Certification of training in workshop (for 22 hours),Primary Trauma Care from medical faculty of Tabriz University of medical science

Congress attendance

- Certification of poster presentation, 13th International Congress of Medical Science of Azad University, Tabriz, Iran, 30 Apr-2 May 2008.
- Certification of oral presentation, 13th International Congress of Medical Science of Azad University, Tabriz, Iran, 30 Apr-2 May 2008.
- Certification of attendance in 1st European congress on Emergency Medicine in conjunction with the 4th Turkish Emergency Medicine congress in Antalia/Turkey Nov 2008
- Certification of scientific speaker in 1st European congress on Emergency Medicine in conjunction with the 4th Turkish Emergency Medicine congress in Antalia/Turkey Nov 2008
- Certification of attendance in 3rd annual Iranian emergency medicine congress in Tehran/Iran 16 Dec 2008 (12 score)
- Certification of attendance in 1st International Congress of Airway Management/ and Anesthesia in Head & Neck Surgery, May 20-22, 2009, Tehran, Iran (7 score)
- Certification of attendance in Fifth meditaranian emergency medicine congress, 14-17 sept 2009 in valensia spain
- Certification of participatation in educational activity in Fifth meditaranian emergency medicine congress, 14-17 sept 2009 in valensia spain
- Certification of Attendance, 4th annual Iranian emergency medicine congress in Tehran/Iran 12 Jan 2010 (10 score)

- Certification of speaker, 4th annual Iranian emergency medicine congress in Tehran/Iran 12 Jan 2010 (3 score)
- Certification of poster presentation, 4th annual Iranian emergency medicine congress in Tehran/Iran 12 Jan 2010
- Certification of poster presentation, 6th European congress on emergency medicine and 12th annual meeting of SweSEM
- Certification of Attendance, The 2nd EurAsian Congress on Emergency Medicine, Oct 28-31, 2010, Gloria Golf, Antalia- Turkey
- Certification of Attendance, 5th annual Iranian emergency medicine congress in Tehran/Iran 4 Dec 2010 (13 score)
- Certification of attendance, electronic education in medical science (16 hours)(11 score), 4th National Conference of E-learning in medical science,Tabriz/Iran
- Certification of poster presentation, 4th National Conference of E-learning in medical science,Tabriz/Iran
- Certification of attendance, 12th annual congress of medical education (12 score), Mashhad,Iran
- Certification of Attendance in six Mediterranean emergency medicine congress, Kos,Greece, 10-14 September 2011-10-20
- Certification of continues medical education by The American Academy of Emergency Medicine, Participation in the live activity in six Mediterranean emergency medicine congress, kos, Greece,10-14, 2011
- Certification of Attendance, 6th annual Iranian emergency medicine congress in Tehran/Iran 22 Nov 2011 (14 score)
- Certification of speaker, 6th annual Iranian emergency medicine congress in Tehran/Iran 22 Nov 2011 (3 score)
- Certification of attendance , the third EurAsian congress on Emergency Medicine, 19-22 September, Antalya/Turkey
- Certification of Appreciation, the third EurAsian congress on Emergency Medicine, 19-22 September, Antalya/Turkey
- Certification of poster presentation, Motahari festival 2013(Idea)
- Certification of poster presentation, Motahari festival 2013

Scientific secretary

- Certification of scientific secretary of the interaction between Intravenous drug administration workshop from Continues Medical Education (40 Hours), Tabriz/Iran 23,24 Feb 2012

- Certification of scientific secretary of the classic and computer based prescription workshop from Continues Medical Education (20 hours), Tabriz/Iran 23,24 Feb 2012
- Certification of scientific secretary of the 1st seminar on Rational Drug Prescribing and Use Seminar (Drug Interaction and Interdisciplinary Communication) from educational development center, Tabriz/Iran 23,24 Feb 2012
- Certification of scientific secretary of the classic and computer based prescription workshop from educational development center, Tabriz/Iran 23,24 Feb 2012
- Certification of scientific secretary of the interaction between Intravenous drug administration workshop from educational development center, Tabriz/Iran 23,24 Feb 2012

RESEARCH GRANTS

Comparison between normal saline and hypersaline 3% and no fluid in hemorrhagic shock in simulated animal model (project manager)

AJA (Military of Islamic republic of Iran).....38,000,000RIs

Diagnostic value of biochemical parameters in the prognosis of patients with severe burns (major contributor)

Injury Epidemiology and Prevention Research team.....40,000,000RIs

PUBLICATIONS

A) Book

1. Translation to Farsi, Disaster medicine, published
2. Translation to Farsi and make it pocket book, resuscitation drugs, published (2nd edition)
3. Translation to Farsi, Tactical emergency medicine, published
4. Authorize and Gathering , Bioterrorism, published
5. Gathering and simplifying, environment disease, published

B) Journal papers

Success rate of PHEMS personnel in implementing PHTLS guidelines on traffic accident victims. 3rd EuroAsian Congress On Emergency Medicine, Antalya, Turkey, 19-22 September 2012 (Oral presentation)
56. **Samad Shams Vahdati**, Bita Hazhir Karzar, Negar Momen. Demographic study of burn in warm season of North West of Iran. 3rd EuroAsian Congress On Emergency Medicine, Antalya, Turkey, 19-22 September 2012 (oral presentation)
57. **Samad Shams Vahdati**, Rouzbeh rajaei Ghoafouri, Paria habibollahi, Naimeh Majidi, Giti seyed Ghiasi, Ailar Toopal. The effect of 3% hyper saline, normal saline and no fluid prescription on metabolic acidosis in uncontrolled hemorrhagic shock. 3rd EuroAsian Congress On Emergency Medicine, Antalya, Turkey, 19-22 September 2012 (oral presentation)
58. Hosein Khodaverdizadeh, jafar Ghobadi, **Samad Shams Vahdati**, Ailar Fazlzadeh. Acute pulmonary symptoms with hydatic cyst: case report. 3rd EuroAsian Congress On Emergency Medicine, Antalya, Turkey, 19-22 September 2012 (poster presentation)
59. Hosein Khodaverdizadeh, Jafar ghobadi, **Samad Shams Vahdati**, Ailar Fazlzadeh. Extremity Stab wound without serious injury: case report. 3rd EuroAsian Congress On Emergency Medicine, Antalya, Turkey, 19-22 September 2012 (poster presentation)
60. Hosein Khodaverdizadeh, Akbar nadi, **Samad Shams vahdati**, Ailar Fazlzadeh. Incarcerated inguinal hernia, in feature of an acute scrotum swelling. 3rd EuroAsian Congress On Emergency Medicine, Antalya, Turkey, 19-22 September 2012 (Poster presentation)
61. **Samad Shams Vahdati**, Narges Moradi, Jamil Hemmat gadim. Scorpion bite; A natural problem. 3rd EuroAsian Congress On Emergency Medicine, Antalya, Turkey, 19-22 September 2012 (Poster presentation)
62. **Samad Shams Vahdati**, Narges moradi, Jamil Hemmat gadim, Rouzbeh Rajaei Gafouri. Epidemiology of burned patients admitted in burn unit all

hospital in North west of Iran. 3rd EuroAsian Congress On Emergency Medicine, Antalya, Turkey, 19-22 September 2012 (Poster presentation)

63. **Samad Shams vahdati**, Narges Moradi, jamil Hemmat Gadim, Rouzbeh rajaei Ghafouri. Evaluation of electrical injury in North West of Iran, Around East Azarbaijan region. 3rd EuroAsian Congress On Emergency Medicine, Antalya, Turkey, 19-22 September 2012 (Poster presentation)
64. **Samad shams vahdati**, Narges Moradi, Jamil Hemmat gadim, Paria habibollahi, Rouzbeh rajaei ghafouri. Evaluation of suicide attempmts with drug poisoning in North West of Iran. 3rd EuroAsian Congress On Emergency Medicine, Antalya, Turkey, 19-22 September 2012 (Poster presentation)
65. Ali Farajollahi, **Samad Shams Vahdati**, Arezou Tajlil. The effectiveness of calcium scoring alongside coronary computed tomography angiography in patients with low likelihood of chest pain. 3rd EuroAsian Congress On Emergency Medicine, Antalya, Turkey, 19-22 September 2012 (Poster presentation)
66. Naeimeh Majidi Zolbanin, **Samad Shams vahdati**, Rouzbeh rajaei Ghaffouri, Ailar Topal, Paria habibollahi. Effectiveness of fluid resuscitation on survival of uncontrolled hemorrhagic shock (animal simulation). 13th Iranian pharmaceutical science Congress, Isfahan, Iran 2012 (poster presentation)
67. Changhiz Gholipour, **Samad Shams Vahdati**, Ali Irandoust, Ebrahim Mashhadi. Relationship between conscious level with GCS in initial assessment and after resuscitation with outcome in moderate and sever trauma patients. 7th annual Iranian emergency medicine congress in Tehran/Iran Dec2012 (poster presentation)
68. Ali Taghizadieh, Alireza Ala, Mahboub Pouraghaei, Kavooos Shahsavari Nia, Noushin Milanchian, **Samad Shams Vahdati**. Lady with general weakness and dizziness in emergency department. 7th annual Iranian emergency medicine congress in Tehran/Iran Dec2012 (poster presentation)
69. Ali Taghizadieh, Behzad Mohammadi, Mahboub Pouraghaei, **Samad Shams Vahdati**. Prognosis of congestive heart failure treatment with high dose Lasix in emergency department. 7th annual Iranian emergency medicine congress in Tehran/Iran Dec2012 (poster presentation)
70. Mahboub Pouraghaei, **Samad Shams Vahdati**, Rouzbeh Rajaei, Seyed Hosein Ojaghei Haghighi, Ebrahim Mashhadi, Shiva Salmasi. Abdominal pain without any clinical and paraclinical finding, case report. 7th annual Iranian emergency medicine congress in Tehran/Iran Dec2012 (poster presentation)

71. Javad Dehghan nezhad, Hadi Hasankhani, Farahnaz Abdollahzadeh, Abas Dadashzadeh, **Samad Shams Vahdati**. Evaluation of preparedness and education need in emergency department nurses in disaster situation in East Azarbaijan. 7th annual Iranian emergency medicine congress in Tehran/Iran Dec2012 (poster presentation)

Thesis:

Advisor:

Resident ship:

1. diagnostic value of lasik test in diagnosis of discopathy in patients with acute low back pain referred to emergency department
2. Causes and factors in delay of trauma patients management
3. Comparison of the diagnostic accuracy of focused assessment with sonography for trauma conducted by radiology residents vs. emergency medicine residents in patients with blunt abdominal trauma
4. The efficacy of electronic versus lecture based educational in improving interns knowledge related to advanced cardiopulmonary resuscitation drug pharmacology

Intern ship:

1. Demographic study and chief complaints of non trauma patients referred to emergency department of Imam Reza Hospital, 2011-06-18
2. seasonal variation and frequency of deep vein thrombosis in emergency department of Imam Reza Hospital, 2006-2008
3. comparison of the value of early and post resuscitation Glasgow coma scale in prediction of prognosis of moderate to severe trauma patients
4. Success rate of EMS (Emergency Medical Service) in observing guidelines of transportation and care of trauma patients
5. Death caused by occupational in Tabriz
6. Evaluation of patient throughput in emergency department of Tabriz Imam Reza hospital
7. The evaluation of burnout among physicians and staff working in emergency departments of Tabriz
8. Frequency of vertigo in emergency department

Supervisor:

Resident ship:

1. Effective comparison of apotel versus morphine in reducing of post pure head trauma headache
2. Necessity for emergency chest x ray in multiple trauma patients with injury severity score >15

3. Effect of cervical collar in pulmonary volume of traumatic patients with GCS:15
4. Diagnostic value of biochemical parameters in prognosis of patients with severe burn injury

Internship:

1. Demographic and outcome study in patients who come to emergency department with fall from height
2. Bicycle accident related injury study and pathologic evaluation
3. CT scan findings in minor head trauma in children under 2 years old

GENERAL SKILLS

Languages: English (fluent), Farsi (fluent), Turkish (fluent), and Arabic (reading), Duetsch (basic)

Oral and written communication skills

IT skills: (Internet, Windows XP, Word, Excel, PowerPoint, Minitab, SPSS Data collection, manipulation, and analysis)

Project management, problem solving, lateral thinking and team working

GENERAL EXAMINATIONS PASSED

- ICDL exam

MEMBERSHIP OF LEARNED SOCIETIES

- Members of the Iran national elite foundation (بنیاد ملی نخبگان)
- Member of the Iranian National Olympiad Centre (باشگاه دانش پژوهان جوان-المپیاد)
- Main member of Tabriz elite home, member no.:8601021
- Member of bright talent of Tabriz University of medical science
- Iranian council of emergency medicine
- Iranian emergency medicine physician
- Emergency medicine association of Turkey
